

**System Enhancement SE 124: April 4, 2015, Release Summary**

**Issue Date: March 25, 2015**

**Audience: Human Resource Offices**

Release Item	Description
<p><b>Remove Performance Appraisal Screen and Related Reports from People First</b></p>	<p>Remove the Performance Appraisal screen, Evaluation Due Report (SAP Report) and Evaluation Summary Report (SAP Report) from People First. The Performance Appraisal screen is accessed from Management tab &gt; My Direct Reports &gt; Performance Management and the SAP reports are accessed from Management tab &gt; Reports &gt; Performance Management Reports.</p> <p>On July 1, 2013, a performance management process was implemented within the Performance &amp; Talent Management module, which eliminated the need for the Performance Appraisal screen and associated SAP reports. The data captured in the Performance Appraisal screen will continue to be available in the Data Warehouse.</p>
<p><b>Special Comp Leave Audit Report</b></p>	<p>Update the Special Comp Leave Audit Report to not present negative balances for bucket 93 unless there is truly a negative balance. Currently, negative balances are presented on the report if the employee uses the leave on the last day the leave is available for use.</p>
<p><b>OPS Appointment PAR – Incorrect Eligibility Messages Displayed</b></p>	<p>Correct the defect where incorrect eligibility messages are displayed for employees who are currently benefits eligible.</p>
