<ul style="list-style-type: none"> <li>A Customer Facility Charge is collected from customers and remitted to the airport authority or government entity that owns the airport. The proceeds are used to pay for the construction, operation and/or maintenance costs of consolidated rental car facilities. The proceeds may be pledged to amortize bonds used to construct or operate and maintain the facilities. The fee is generally required to be identified on a separate line on the customer's rental agreement or invoice, and is generally charged on a per transaction day basis.</li> <li>A Concession Recovery Fee or Concession Recoupment Fee, commonly referred to as an airport access fee, is collected from customers and remitted to the airport authority or government entity that owns the airport. The proceeds are for the rental car company's privilege to use airport facilities and access the airport market. The fee is generally required to be identified on a separate line on the customer's rental agreement or invoice, and is generally charged as a percentage of rental transaction gross receipts.</li> </ul>
