## EXHIBIT A Contract Conditions

This Exhibit contains the Special Contract Conditions. The General Contract Conditions, Form PUR 1000, are incorporated by reference, and may be downloaded and viewed at: <http://www.dms.myflorida.com/content/download/2933/11777/1000.pdf>. ### 1 Special Contract Conditions

#### 1.1. Electronic Invoicing (eInvoicing)

The Contractor may supply electronic invoices in lieu of paper-based invoices for those transactions processed through the MFMP. The contractor may establish electronic invoicing within ninety (90) days of written request to the Department. Electronic invoices shall be submitted to the Customer through the Ariba Network (AN) in one of three mechanisms as listed below. The Contractor will work with the MFMP management team to obtain specific requirements for the eInvoicing.

##### 1.1.1 Commerce eXtensible Markup Language (cXML)

This standard establishes the data contents required for invoicing via cXML within the context of an electronic environment. This transaction set can be used for invoicing via the AN for catalog and non-catalog goods and services. The cXML format is the Ariba preferred method for electronic invoicing.

##### 1.1.2 Electronic Data Interchange (EDI)

This standard establishes the data contents of the Invoice Transaction Set (810) for use within the context of an EDI environment. This transaction set can be used for invoicing via the AN for catalog and non-catalog goods and services.

##### 1.1.3 Purchase Order Flip via Ariba Network (AN)

The online process allows suppliers to submit invoices via the AN for catalog and non-catalog goods and services. Contractors have the ability to create an invoice directly from their Inbox in their AN account by simply “flipping” the purchase order into an invoice. This option does not require any special software or technical capabilities.

For the purposes of this section, the Contractor warrants and represents that it is authorized and empowered to and hereby grants the State and the third party provider of MFMP the right and license to use, reproduce, transmit, distribute, and publicly display within the system the information outlined above. In addition, the Contractor warrants and represents that it is authorized and empowered to and hereby grants the State and the third party provider the right and license to reproduce and display within the system the Contractor’s trademarks, system marks, logos, trade dress, or other branding designation that identifies the products made available by the Contractor under the Contract.

#### 1.2 Purchasing Card (P-card) Program

The contractor must accept the Universal card format Purchasing Cards (e.g., American Express, MasterCard, and Visa). However, the Purchasing Card is not the exclusive method of payment (e.g., Purchase Order). The method of ordering and payment (e.g., Purchase Order, Purchasing Card) shall be selected by the Customer.

### 1.3 Compliance with Laws

The Contractor shall comply with all laws, rules, codes, ordinances, and licensing requirements that are applicable to the conduct of its business, including those of Federal, State, and local agencies having jurisdiction and authority. For example, Chapter 287, of Florida Statutes and Rule 60A of the Florida Administrative Code, govern the Contract. The Contractor shall comply with section 274A of the Immigration and Nationalization Act, the Americans with Disabilities Act, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran's status. Violation of any such applicable laws, rules, codes, ordinances and licensing requirements, shall be grounds for Contract termination.

### 1.4 Liability and Worker's Compensation Insurance

During the Contract term, the Contractor at its sole expense shall provide commercial insurance of such a type and with such terms and limits as may be reasonably associated with the Contract, which, at a minimum, shall be: workers' compensation and employer's liability insurance per Florida statutory limits (currently \$100,000 per accident, \$100,000 per person, and \$500,000 policy aggregate) covering all employees engaged in any Contract work; commercial general liability coverage on an occurrence basis in the minimum amount of \$500,000 (defense cost shall be in excess of the limit of liability), naming the State as an additional insured; and automobile liability insurance covering all vehicles, owned or otherwise, used in the Contract work, with minimum combined limits of \$500,000, including hired and non-owned liability, and \$5,000 medical payment. Providing and maintaining adequate insurance coverage is a material obligation of the Contractor and is of the essence of the Contract. The Contract shall not limit the types of insurance Contractor may desire to obtain or be required to obtain by law. The limits of coverage under each policy maintained by the Contractor shall not be interpreted as limiting the Contractor's liability and obligations under the Contract. All insurance policies shall be through insurers authorized to write policies in Florida.

### 1.5 Detail of Bills

Contractor shall submit bills for fees or other compensation for services or expenses in detail, sufficient enough for a proper pre-audit and post-audit.

### 1.6 Return of Funds

The contractor will return to the Customer any overpayments due to unearned funds or funds disallowed pursuant to the terms of this Contract that were disbursed to the Contractor by the Customer. The Contractor shall return any overpayment to the Customer within forty (40) calendar days after either discovery by the Contractor its independent auditor, or notification by the Customer of the overpayment.

Travel expenses are not reimbursable unless specifically authorized by the Customer in writing, and may be reimbursed only in accordance with section 112.061, F.S.

(d) Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the Contractor or keep and maintain public records required by the public agency to perform the service. If the contractor transfers all public records to the public agency upon completion of the contract, the contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the contractor keeps and maintains public records upon completion of the contract, the contractor shall meet all applicable requirements for retaining public records. #### 1.31 Purchase Orders

A Customer shall order services via a purchase order. Purchase orders shall establish direct labor hours at specified fixed hourly rate not to exceed those in the awarded Contract.

When creating purchase orders for this Contract the Customer shall attach to the purchase order a completed signed Contractor Selection Justification Form (Exhibit C) for each candidate included in the purchase order.

Customers are permitted to negotiate terms and conditions which supplement those contained in this Contract. Such additional terms shall not conflict with the terms and conditions established by this Contract (and any such conflicting terms shall be resolved in favor of terms most favorable to the Customer, as determined by the Department). Purchase order-specific terms and conditions are only applicable to that specific purchase order and shall not be construed as an amendment to this Contract.

#### 1.32 Quarterly Contractor Performance Reporting

Customers shall complete a Contractor Performance Survey (Exhibit D) for each Contractor on a Quarterly basis. Customers will submit the completed Contractor Performance Survey(s) by email to the Department Contract Manager no later than the due date indicated in Section 1.35.

The completed Contractor Performance Survey(s) will be used by the Department as a performance-reporting tool to measure the performance of Contractors. The Department reserves the right to modify the Contractor Performance Survey and introduce additional performance-reporting tools as they are developed, including online tools (e.g. tools within MyFloridaMarketPlace or on the Department's website).

#### 1.33 Transaction Fee/Monthly Transaction Fee Report

All payments issued by Agencies or Eligible Users to registered Vendors for purchases of commodities or contractual services shall be assessed Transaction Fees per 287.057(22), Florida Statutes.

The Contractor is required to submit monthly Transaction Fee Reports electronically through MFMP VIP. All such reports and payments shall be subject to audit. Failure to comply with the payment of the Transaction Fees or reporting of transactions shall constitute grounds for declaring the Contractor in default and subject the Contractor to exclusion from business with the State of Florida.

For information on how to submit Transaction Fee Reports online, please reference the detailed fee reporting instructions and Vendor training presentations available online through MFMP U on the MyFloridaMarketPlace website (located at <http://dms.myflorida.com/mfmp>). Assistance is also available from the MyFloridaMarketPlace Customer Service Desk at [feeprocessing@myfloridamarketplace.com](mailto:feeprocessing@myfloridamarketplace.com) or 866-FLA-EPRO (866-352-3776) between the hours of 8:00 AM to 6:00 PM, Eastern Time.

#### 1.34 Quarterly Sales Reports

Each Contractor shall submit a sales report by job title and scope variants to the Department on a Quarterly basis.

Contract Sales Reports must include the Contractor's name, the dates of Quarter covered, each Customer's name, services provided, and the amount paid by the Customer.

Initiation and submission of the Contract Sales Reports are to be the responsibility of the Contractor. The Contractor will submit the completed Sales Report forms by email to the Department Contract Manager no later than the due date indicated in Section 1.35. Submission of these reports is considered a material requirement of this Contract and the Contractor.

Failure to provide quarterly sales reports, including those indicating no sales, within thirty (30) calendar days following the end of each quarter (January, April, July and October) is considered as Non-Performance by the Contractor.

Exceptions may be made if a delay in submitting reports is attributable to circumstances that are clearly beyond the control of the Contractor. The burden of proof of unavoidable delay shall rest with the Contractor and shall be supplied in a written form and submitted to the Department.

The Department reserves the right to request additional sales information as needed.

### 1.35 Quarterly Reporting Timeframes

Quarterly reporting timeframes coincide with the State Fiscal Year as follows:

- Quarter 1 - (July-September) – Due by October 31
- Quarter 2 - (October-December) – Due by January 31
- Quarter 3 - (January-March) – Due by April 30
- Quarter 4 - (April-June) – Due by July 31

### 1.36 Indemnity

To the extent permitted by Florida law, the Contractor agrees to indemnify, defend, and hold the Department, Customer, the State of Florida, its officers, employees and agents harmless from all fines, claims, assessments, suits, judgments, or damages, including consequential, special, indirect, and punitive damages, including court costs and attorney's fees, arising out of any acts, actions, breaches, neglect or omissions of the Contractor, its employees, agents, subcontractors, assignees or delegates related to the Contract, as well as for any determination arising out of or related to the Contract that the Contractor or Contractor's employees, agents, subcontractors, assignees or delegates are not independent contractors in relation to the Department. The Contract does not constitute a waiver of sovereign immunity or consent by the Department or the State of Florida or its subdivisions to suit by third parties.

Further, the Contractor shall fully indemnify, defend, and hold harmless the Department from any suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to violation or infringement of a trademark, copyright, patent, trade secret or intellectual property right.
