

System Enhancement SE 135: March 11, 2017, Talent Management Release Summary

Issue Date: March 15, 2017

Audience: Human Resource Offices

Release Item	Description
Recruiting – Candidate Grid	The hiring manager candidate grid can now be expanded to show up to 1,000 candidates at one time. This option will not be presented until the requisition has over 150 candidates. Other options include 10, 25, 50, 100 and 150.
Recruiting – New Email Notification	Hiring managers will now be notified via an automated email once the approval process has been completed for their requisition. Following final approval, the Service Center will post the job within one business day.
