MMCAP is a free, voluntary, public sector group purchasing organization for government-authorized facilities and is operated by the Materials Management Division of the State of Minnesota’s Department of Administration. It combines the purchasing power of its members to receive the best prices available for the products and services for which it contracts. Membership in MMCAP is limited to facilities with which the State of Minnesota may contract, as defined by Minnesota Statutes Section 471.59, subdivision 10.

The Member Facility desires to access MMCAP’s programs to purchase products and services for the Member Facility.

1. Term of Agreement and Cancellation

This Agreement, which is required by 42 C.F.R. § 1001.952(j) and Minnesota law, will be effective upon the date it is fully executed by all parties; and will remain in effect until cancelled by MMCAP or the Member Facility. This Agreement may be cancelled by either party upon 30 days’ written notice to the other party, or immediately upon material breach by one of the parties.

2. Member Facility

The Member Facility:

A. Certifies it has authority to enter into this Agreement with the State of Minnesota and, where applicable, authorizes MMCAP to negotiate contracts on its behalf. For non-government entities, also certifies it has statutory authority under which it may purchase goods and services from its state’s contracts.

B. Must comply with all applicable laws, rules, and regulations governing government purchasing of pharmaceuticals, and related products and services when utilizing MMCAP contracts and programs.

C. Should endeavor, where practical, to purchase its goods and services from MMCAP contracts.

E. Will not resell (as may be prohibited by law) or divert products obtained under the MMCAP contracts. If there are any questions about the propriety of the use of products purchased from the MMCAP contracts, the Member Facility will obtain an opinion from its legal counsel and notify MMCAP of the decision.

F. When applicable, acknowledges that the prices made available under MMCAP’s contracts may represent a discount to price that must be properly and accurately accounted for and reported in accordance with all federal and state laws, including the anti-kickback law (42 C.F.R. § 1320a-7b(h)(3)(A)) and regulations thereunder (42 C.F.R. §1001.952(h)).
G. Must comply with the terms and conditions of the applicable MMCAP vendor contract data sheets; found on the MMCAP website at www.mmcap.org.

H. Understands that MMCAP is not liable for any denied pricing, chargeback, refusal of vendors to honor contract pricing, or failure of vendors to deliver the products or services. THE MEMBER FACILITY ACKNOWLEDGES THAT MMCAP IS NOT THE MANUFACTURER OR DISTRIBUTOR OF ANY PRODUCT AND SERVICE AND MAKES NO REPRESENTATION AS TO WARRANTY OF QUALITY, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, CONDITION, OR OTHER ATTRIBUTE OF THE PRODUCTS SUPPLIED BY VENDORS UNDER MMCAP CONTRACTS.

I. Must update MMCAP regarding changes to the Member Facility information and contact person information.

J. Must promptly pay MMCAP-contracted vendors for all products or services purchased. MMCAP does not assume any responsibility for the accountability of funds expended by the member Facility.

K. May be inactivated from MMCAP membership if there is no participation for 18 consecutive months.

3. MMCAP

MMCAP will:

A. Select products or services for cooperative contracting under the programs offered.

B. Comply with Minnesota laws, including procurement and data practices, that require fair and open competition.

C. Make available copies of contract documents.

D. Maintain vendor performance records.

E. Assist in resolving administrative, contract, or supplier problems that cannot be resolved by the Member Facility.

F. Provide information to the Member Facility regarding products and services available through the MMCAP program.

G. Distribute to Member Facilities any unused administrative fees collected from contracted vendors (Article 4 below); and annually disclose in writing to Member Facilities, and to the Secretary of the United States Department of Health and Human Services upon request, the amounts received by MMCAP from vendors that were directly attributable to the Member Facility’s purchases.

4. Administrative Fee Collected from MMCAP’s Vendors

The MMCAP Managing Director may, pursuant to contract terms and conditions, require the contracted vendors (not Member Facilities) to pay an administrative fee to MMCAP. The fee of not more than three percent will be based on a percentage of sales made through the individual contracted vendor. Fees will be collected by the MMCAP office and used to pay for the administrative costs incurred in the operation of MMCAP as approved by the MMCAP Managing Director. Any remaining balance of funds will be returned to active members by means of either a credit to their wholesaler or distributor account, or other mechanism agreed to by the parties, in an amount proportional to the Member Facility’s on-contract purchases.

5. Assignment, Amendments, Waiver, and Contract Complete

5.1 Assignment. Neither party may assign or transfer any rights or obligations under this Agreement without the prior consent of the other party and a fully executed assignment agreement.

5.2 Amendments. Any amendment to this Agreement must be in writing and will not be effective until it has been executed and approved by the same parties who executed and approved the original agreement.

5.3 Waiver. If either party fails to enforce any provision of this Agreement, that failure does not waive the provision or its right to enforce it.
6. Liability
Each party will be responsible for their own acts and behavior and the results thereof. Nothing in this membership agreement will be construed as expanding the limits of liability of the Member Facility beyond the limits of the law of its state. MMCAP’s liability is governed by the Minnesota Tort Claims Act, Minnesota Statutes Section 3.736, and other applicable laws.

7. State Audits
As mandated by Minnesota Statutes Section 16C.05, subdivision 5, “the books, records, documents and accounting procedures and practices of the [Member Facility] relevant to this Agreement shall be made available and subject to examination by the State of Minnesota, including the contracting agency/division, Legislative Auditor, and State Auditor” for a minimum period of six years after the termination of this Agreement.

IN WITNESS WHEREOF, the undersigned parties represent they have the authority to bind their respective party and have signed intending to be bound thereby.
