Re: Service Provider (SP) Acknowledgement for:
   a. Sustainable Design and Construction for project under $2,000,000

   a. The State of Florida has also established laws requiring buildings renovated, constructed and financed by
   the state be designed and constructed to comply with a sustainable building practice as defined by
   255.253(7), Florida Statutes. The Department of Management Services for smaller renovation projects,
   under $2,000,000 will not require registration and certification for the Projects. However, with this
   Acknowledgement, the Service Provider certifies that the Projects they, and any and all of its consultants
   and subcontractors accepts and agrees to the provision of providing Sustainable and Energy Efficient
   design and practices.

   The Department of Management Services has provided the Background Check Process, Design, Construction
   Guidelines and Professional Services Guide at
   https://www.dms.myflorida.com/business_operations/real_estate_development_and_management/building_construc-
   tion/forms_and_documents.

   Service Provider
   Company Name: ____________________________________________________________________________

   Street Address: ____________________________________________________________________________

   City, State, Zip: ____________________________________________________________________________

   The Service Provider, by having their representative sign and date this document prior to commencing any work,
   the service provider accepts, and agrees to these provisions. Included with the submittal of this form, the
   Designer will provide a memo on company letterhead with their list of products and for the construction manager
   by providing their ways and means on complying with 255, Florida Statutes.
