System Enhancement: Change in Employer Contribution for Basic Life Insurance Premiums

08-05-06

July 31, 2006

ID Number: SE 5

Suggested Audience:

Agency Personnel Officers

Overview:

In accordance with the 2006 GAA, the amount of the employer contribution is being increased to offset the reduction in the trust fund contribution for Active Legislators. The People First System will be updated to accommodate this change.

Important Point to Note:

- The new factor is **\$.16787** per \$1000 dollars of calculated benefit coverage level and became effective July 1, 2006.
- The new employer contributions for Career Service and SES/SMS employees has already been updated in the People First System as part of the 7/1/06 System Release.
