Agency Personnel Offices

Name	Description
Law Enforcement Employees from IUPA to PBA – Phase 2	This enhancement will <ul style="list-style-type: none">○ Restrict use of Miscellaneous Deduction Code 0699 to Law Enforcement Employees (CBU 06).○ Restrict the amounts that can be entered for Miscellaneous Deduction Code 0699 to the amounts allowed by contract.○ Rename timesheet error messages that currently contain a reference to IUPA.
Direct Deposit Changes	This enhancement will <ul style="list-style-type: none">○ Implement the STOP Direct Deposit process to send STOPs to the Department of Financial Services that will, in return, end the employee's active Direct Deposit record.○ Modify screen and error messages to make the Direct Deposit screens more user-friendly.
New Hire Benefits Letters	System change to stop the generation of a New Hire Package for employees who experience a pay action change.
Edits for Abolishing Positions	Edits are being implemented to prevent agencies from abolishing a filled position. From this point going forward, agencies will only be able to abolish a position that is vacant from the effective date of the abolishment forward.
Confirmation Statements	New hire confirmation statements will include language indicating that the coverage effective date will be one-month earlier than stated if the employee elected an early effective date.
1050 Layoff Plan	An employee who is laid off will be presented with the appropriate life insurance options to select based on that work event.
OCA Interface Email Report	This release corrects the row count of data for trailer and header records for DCF, APD, and DOH. The fix corrects the inaccurate counting of blank rows.
Leave Balance Overview Screen for FSDB	Personal leave type 0076 will be deducted from the sick leave balance on the Leave Balance Overview screen for FSDB only.
