MANAGEMENT ADVISORY #09-010

DATE: March 27, 2009
TO: Agency and University Personnel Officers and Benefit Coordinators
FROM: Suzetta Furlong, Manager
SUBJECT: Medicare Secondary Payer

The U.S. Department of the Treasury performs periodic audits of Medicare as a secondary payer for health insurance benefits. Consequently, the Treasury, or others on behalf of the Treasury or Medicare, send notices when it appears that money is owed. These notices may be:

- Medicare Secondary Payer
- Treasury Offset
- MSPRC
- CMS
- Any other notices from collection agencies hired by Medicare

If your office receives any of these notices, please write the employee's name and Social Security number on the notice, if possible. Then immediately mail or fax the notices to the Division of State Group Insurance so that they can be processed quickly; otherwise, the Treasury may offset debts against federal grants or other federal monies coming to your agency or university.

Mail notices to:
