### PILEJOGGER™ Extraction Tool

A low profile power tool, the all-aluminum Pilejogger features a 13" (330 mm) wide x 3" (76 mm) diameter 4-row chevron cylindrical brush driven by a 1/8 hp

motor. Clear window for visible soil recovery. Wide roller prevents tracking. Pilejogger can be used with all Windsor extractor models.

Current #	Previous #	List Price	Description
8.604-176.0	PJ2A	\$ 1,805.87	PILEJOGGER

### Carpet Extraction Wands

The AQUAFOIL Wand reduces operator fatigue by allowing upright comfortable operation. The wand head is designed to provide consistent recovery suction and

flow over the entire vacuum shoe. The AquaFoil Wand has a low profile for cleaning under edges, and its maximum recovery leaves carpet drier, faster. (Rated at 500 psi)

The DELUXE PROFESSIONAL Wand is 63" (1,600 mm) in length and the s-bend at the bottom make it easy to clean under desks, furniture and other stationary

objects. The Deluxe Professional Wand is for use with extractors up to 500 psi solution pressure.

The STANDARD Wand is a 12" (305 mm) wide stainless steel, heavy-duty scrub wand for use with any carpet

extraction machine. The standard wand is for use with extractors up to 100 psi solution pressure.

The SPOTTING Wand is a lightweight, stainless steel wand for use with extractors of up to 100 psi solution

pressure. The spotting wand is 56.5" (1,423 mm) long to simplify cleaning in hard-to-reach areas.

## AIRMOVER™ 3 Air Blower

The 3-speed Airmover 3's 1600 rpm, 1/2 hp motor generates a powerful 3,000 cfm of air movement on its highest setting. With its medium (2,500 cfm) and low (2,000 cfm) airflow settings, this machine also works efficiently in areas where full power is not needed.

Airmover's polyethylene housing and sturdy four-point motor mount make it extremely durable. And with its light weight (just 31 pounds) and balanced offset handle, it's easy to carry to the job site.

- Includes carpet clip for flood clean-up jobs
- UL Listed to U.S. and Canadian safety standards

Current #	Previous #	List Price	Description
1.004-027.0	AM3	\$ 213.33	AIRMOVER 3

## WINDHANDLER™ 3 Air Blower

The Windhandler 3-speed blower offers all the features of the Airmover, plus an extended handle and transport wheels that allow it to be moved around the job site with ease. Its light weight and precision balance add to Windhandler's effortless transport. When the work is done, the handle folds over for compact storage.

The Windhandler reduces carpet drying times after extraction by up to 50%. Its powerful 1600 rpm, 1/2 hp motor produces 3,000 cfm of air movement for rapid drying of carpet and hard floors. Durable construction provides years of dependable use.

- Includes carpet clip for flood clean-up jobs
- UL Listed to U.S. and Canadian safety standards

## VERSAMATIC® 14" & 18" Upright Vacuums

The improved Versamatic, a commercial quality, two-motor upright vacuum, provides maximum up-time and long, trouble-free life. The Versamatic gives you the assurance of a three year warranty on the brush, belt and motors.

- Large 1,000 watt vacuum motor
- Light handle weight in working position

- Pull out suction hose for above-the-floor vacuuming
- Detachable floor head quickly converts to a portable hand-held vac
- Built-in electronic control system monitors machine efficiency for brush settings and brush strip
- UL Listed to U.S. and Canadian safety standards

Current #	Previous #	List Price	Description
1.012-034.0	VS14	\$ 744.00	VERSAMATIC 14" (360 mm)
1.012-036.0	VS18	\$ 972.52	VERSAMATIC 18" (460 mm)

## VERSAMATIC® PLUS 14" & 18" Upright Vacuums

Versamatic Plus is the new standard for cleaning performance and reliability. Power, convenience and a long trouble-free machine life in a commercial quality, two-motor upright vacuum. The Versamatic Plus gives you the assurance of a three year warranty on the brush, belt and motors.

- Powerful 1,000 watt vacuum motor picks up more dirt in a single pass

- Pull-out wand with handle and on-board accessory
- tools increase efficiency of detail cleaning
- Electronic control system maintains consistent motor speed and torque to eliminate premature brush, bearing and belt replacement
- Same durability and reliability that made the original Versamatic the most popular two-motor upright in the industry
- UL Listed to U.S. and Canadian safety standards

## Wide Area Vacuums

### WAVE® 28 Inch Wide Area Carpet Vacuum

Windsor's Wave makes wide area vacuuming more productive by providing on-board tools and attached wand, so the operator can clean hard-to-reach surfaces and the carpet in one pass.

- Enclosed bag-in-bag design and four-stage filtration system for improved indoor air quality
- Accommodates optional HEPA filters
- Six brush height adjustments to maximize cleaning

performance

- Built-in brush suspension system that ensures consistent brush contact, even on irregular surfaces
- Contoured design with an ergonomic handle that allows the hands to remain in a natural "handshake" position
- City of L.A. Electrical Authority approved

HEPA Filtration

## iCapsol Encapsulating Interim Cleaning Chemicals

iCapsol Encapsulating Interim Cleaning Chemicals break down and then surround the soil and other detergent residue from previous cleaning. As it dries, it forms a hard, non-sticky crystal, encasing the soil within. The dried crystals are easily removed during scheduled vacuuming.

- Low moisture cleaning process
- Carpet dry in about 20 minutes

- Economical 1:16 dilution rate, cleans larger areas
- In use pH; 7.5–8.5
- Green certified by the United States Environmental Protection Agency, EPA DFE

## DRI-MATIC® Maintainer

The Dri-Matic Carpet Maintainer is a unique tool that quickly and thoroughly cleans carpet with a dry compound. This lightweight, 11 pound machine scrubs carpet fibers with two 12" wide brushes counter-rotating at 400 rpm. It provides even, deep-down coverage on any type of carpet.

The Dri-Matic Carpet Maintainer offers added convenience with a flat-to-the-floor hinge for cleaning

under floor mounted objects, and a 25 ft. (7.6 m) cable. Constructed of high-impact ABS plastic with a double insulated electrical design, this machine will provide years of dependable use.

For smaller jobs, use Dri-Matic's convenient, on-board spotting brush. This tool, used with Dri-Matic compound, is effective in removing spots before they become stains.

## DRI-MATIC® Carpet Cleaning Compound

Dri-Matic Carpet Cleaning Compound penetrates carpet fibers to dislodge and absorb ground-in soil. This revolutionary compound consists of polyurethane micro-sponges carrying special detergents and solvents. It may be scrubbed into carpet fibers with a lightweight brushing machine or applied to smaller carpet spots with

a hand tool or brush.

Once dry, the soiled compound is vacuumed away and the carpet is left clean and fresh.

Dri-Matic is packaged in 2.2 ltr. portion bags, 10 bags per carton. Each carton cleans up to 2,000 ft.<sup>2</sup>, depending on soil conditions.

## SABER™ CUTTER™ 26" Automatic Scrubber with Aqua-Mizer™, 24 Volt System

The Saber Cutter series was designed to maximize both machine and operator productivity. Standard Aqua-Mizer system increases cleaning solution utilization by up to 50%.

- 26" (660 mm) cleaning path
- 24 volt battery system with a variety of

- battery sizes
- Choice of a mechanical lift linkage to raise and lower scrub deck or an electric actuator
- Outstanding operator visibility
- Fast and simple access to major components, motors, batteries and brushes
- 69" (1750 mm) turn radius

### SABER™ GLIDE™ and SABER™ GLIDE with Squeeze Play™

The Saber Glide offers the productivity of a rider and the compact size of a larger walk-behind scrubber.

- Drives through a standard 36" doorway (SG28, SG36)
- Fits on a standard elevator (SG28, SG36)

- 36 volt battery system increases total run time
- 28"-36" (711 mm–914 mm) variable width cleaning path on Saber Glide Squeeze Play
- Fast and simple access to major components, motors, batteries and brushes
- 66" (1680 mm) turn radius

## Cord Electric Burnishers

### LIGHTNING™ 1500 High-Speed Burnisher

The Lightning 20" (508 mm), 1500 rpm burnisher combines a precisely-balanced design with a powerful 1.75 hp DC motor for a faster shine.

- 20" burnishing path
- Low profile design to permit burnishing under desks and fixtures

- Dual lever switches and thumb-activated safety lock
- Adjustable handle allows for ease of use
- Flexible pad driver
- UL Listed to U.S. and Canadian safety standards

**LEED Compliant**

Current #	Previous #	List Price	Description
1.009-016.0	LB1500	\$ 1,218.18	LIGHTNING 1500 rpm 20" (508 mm) Burnisher with flexible pad driver

### LIGHTNING™ 2000 rpm Ultra High-Speed Burnisher

The Lightning 2000 rpm burnisher utilizes a powerful, direct drive, a 1.5 hp motor and an efficient dust control system to produce a brilliant shine fast. Operators are able to easily control the Lightning 2000 due to a unique floating handle system that easily adjusts to a comfortable operating position. Durable all-metal design for longer life.

- 20" (508 mm) burnishing path
- Unique floating handle system adjusts easily for greater operator comfort
- Dust control to eliminate follow-up dust mopping
- Powerful 1.5 hp direct drive motor powers a flexible pad driver for a high-gloss shine
- UL Listed to U.S. and Canadian safety standards

**LEED Compliant**

## Chemicals

**\$\$\$ HELD**

### COMPASS™ Chemicals

Compass chemicals are designed for use in the Compass Machine. Together they comprise Windsor's multi-surface Professional Facility Cleaning System. Compass chemical products are professional grade formulations designed for cleaning resilient, hard and carpeted surface areas found in today's commercial facilities.

- Food Service Areas
- Bathrooms
- Patient & Surgery Rooms
- Classrooms & Auditoriums
- Offices, Hallways & Conference Rooms
- Exterior Areas
