

**System Enhancement 76: 10/08/2011 Release Summary**

**Issue Date: October 7, 2011**

**Audience: HR Offices**

Release Item	Description
<b>Leave Accrual – Regular Comp</b>	This will correct the current defect where Regular Comp hours are being accrued by Career Service (CS) excluded employees (when hired mid period or termed mid period), rather than the employee being paid straight time, up to the pay period contract hours.
<b>Security Role Codes</b>	This will correct the current defects with the E, F, U and Y security role codes where access to certain Time & Payroll screens was being restricted. With this release, the following issues are being corrected: <ul style="list-style-type: none"> <li>• One-Time Pay Deduction Screen – Available for employees with their “E” security role access. “U” and “Y” security role codes will have access based on the Org Code Range Allowance (OCRA) assigned.</li> <li>• One-Time Regular Payroll Pay, Supplemental Pay and Award Payments screens – Available for “U” and “Y” security role codes based on the OCRA assigned.</li> <li>• Pay Info screen – Available for “F” security role code.</li> </ul>
<b>Data Warehouse Report – Benefits Underpayment/Overpayment Report</b>	The following issues are being addressed with this release: <ul style="list-style-type: none"> <li>• Correct issue where the incorrect premium amount due for health insurance for 2011 reflects the correct premium due (was showing old rate for some individuals).</li> <li>• Correct issue where COBRA participants were showing on the COBRA participant’s former agencies report for COBRA coverage months.</li> </ul>
